

OLPS

Helping Hands Ministry

**Christian volunteers
from our church
to prayerfully do
odd jobs at your home
that you can no longer
get done.**

We want to help you do those tasks that you can't do any longer as you age or encounter a disability.

Together with you we will schedule a second Saturday morning of the month to bring a team of helpful volunteers to your place to help you do those jobs that you just can't get done.

We can fix a step, clear yard over-growth, install a grab-bar, change a bulb, move out of season clothes, do limited painting or any job that doesn't require a license, city permits or repeat visits. And, we provide our own tools.

A team leader will meet with you ahead of time at your convenience to find out how we may be of help and answer any questions.

These services are offered to any family of Our Lady of Prompt Succor (OLPS) church.

In the event of rain or other delay we usually come the next Saturday with your agreement.

To request our service please call our receptionist at 445-3693. She will take your information and we will get back with you to determine if we can be of help. For questions call Renee Aldridge 445-9748, extension 216. 8/1/17
